

**4<sup>th</sup> INTERNATIONAL CONFERENCE  
“PERSPECTIVE TECHNOLOGIES  
IN VACCINATION AND IMMUNOTHERAPY”  
ONLINE, October 27-29, 2020**

**Dear colleagues and partners!**

The Chumakov Federal Scientific Center for Research and Development of Immune-and-Biological Products of Russian Academy of Sciences in cooperation with the Smorodintsev Research Institute of Influenza of the Ministry of Health of the Russian Federation proudly inform you about **the 4<sup>th</sup> International conference “Perspective technologies in vaccination and immunotherapy”**.

**Conference date:** October 27-29, 2020.

**Format:** On-line, based on the Zoom platform.

The conference program includes talks and discussions on the following topics:

- classic vaccines against viral and bacterial infections, including polio, measles, influenza, human papillomaviruses, flaviviruses, meningococcal and pneumococcal diseases;
- new vaccine developments, including COVID-19 vaccines;
- cancer immunotherapy and anti-cancer vaccines;
- vaccine vectors, carriers and adjuvants;
- clinical trials and laboratory animal models for testing of vaccines,
- finance and communications.

**The speakers include recognized authorities** in the fields of immunology, virology, and vaccinology.

**The program** is based on the best abstracts selected by the Program Committee that included domestic and foreign experts.

**The best reports by young scientists will receive awards from the journal VACCINES (MDPI, IF 4.05).**

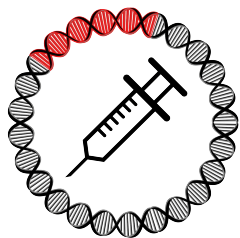

The best reports selected by the Contest Committee will be published in the special issue of the journal VACCINES. The best three works will be published for free.

Conference website, registration and submission of abstracts: <http://techvac.org>

We invite you to take part in the Conference and consider supporting it as a Partner. Partner status will provide your company with a unique opportunity to communicate directly with relevant specialists, make a thematic report, demonstrate your company's advertising in video, electronic and printed materials of the conference.

Please see the partner participation options attached.

With respect,  
conference Organizing Committee
